

**“STEALIN’ BLUE” SET TO STEAL HEARTS**

Her voice is full of raw emotion with astonishing range and has been described as an inspiring performer. Talented vocalist, **Deanne Matley**, is now continuing to inspire people with acclaimed pianist **Bruce Petherick** as she releases her **Debut Album “Stealin’ Blue.”**

“This is a dream project come true and it could not have been possible without the support of the wonderful people in the community,” Matley says. “I have such a feeling of immense gratitude to my family, friends, and of course, my fans. It’s truly a musical legacy built by all of us.”

Matley, a born and raised Calgarian, has performed live for thousands of people. It is the powerful energy she receives from performing before a live audience that fuels her drive as a musician. Matley invites listeners to join her on her emotional journey of sultry dimensions as she bares her soul for all to see – and hear. Matley transcends passion into a musical jukebox.

“Stealin’ Blue” is a ballad album containing emotionally charged songs highlighted by the ambience of the live environment. It was recorded live in Calgary at Cafe Koi in October 2011. Matley’s voice and beautiful stage presence accompanied by Petherick’s brilliant piano skills are set to splash a little flavor into the local jazz and blues scene.

Join Matley, Petherick and friends as they celebrate her debut album at **The Cantos Music Foundation**. With her steamy vocals, and heartfelt purpose, Matley will be transforming some of her fave tunes from popular artists like Prince, Oasis and Cyndi Lauper as well as select jazz standards and originals.

Through Matley’s passion for giving back to the community, proceeds from the evening will be donated to **The National Music Centre** and **The Deanne Matley Scholarship Fund for The Calgary Arts Academy**.
